MIA : LOST IN OPERATION

SEASON 1 REVIEW

Hello,
Chang Joon Yi here.
MIA: Lost in Operation
Season 1 is now over
Firstly, a big,
big thank you to all the
readers who came with
me on this journey
THANK
YOU
I was worried
about what I was
going to say in the
afterword
So I have
decided to explain how
MIA: Lost in Operation
came to be created
Firm
Serious

The title was like that
because MIA is a script written by
director Chang Woo Gim.

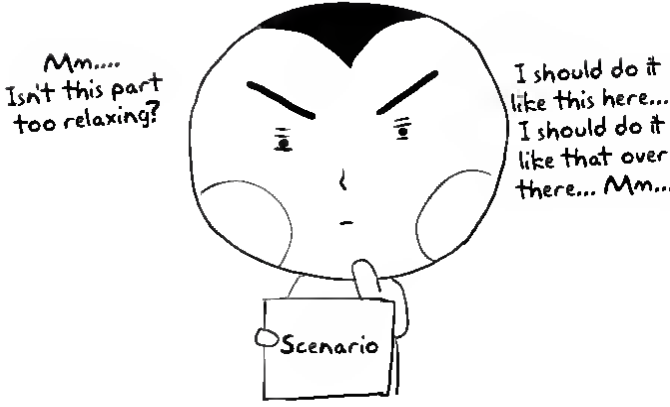
Chang Woo Gim was part of a search unit.

So his idea was based on the
things he experienced in his unit and
the scary stories they told.

Anyway,
to not damage the original work,
I added just a few ideas of mine...

...and there was a
webtoon called MIA like this.

But this was not
a scenario made for webtoon.



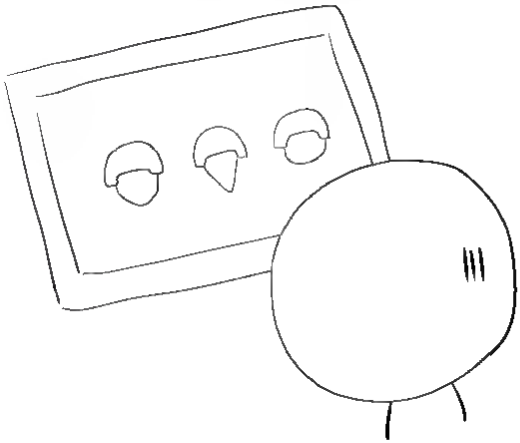
I had to make it
suitable for a weekly manhwa.

There were a lot of parts
that were excluded and we couldn't tell
every story we wanted to.

I worried about it a lot as I was preparing for this.
I also worried about how readers could tell the characters apart.
Sob

It wasn't easy for me
to tell the characters apart,
especially when they're all wearing
the same clothes and helmets.

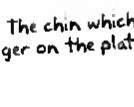
I couldn't easily tell them apart
even with their bodies and faces T_T...



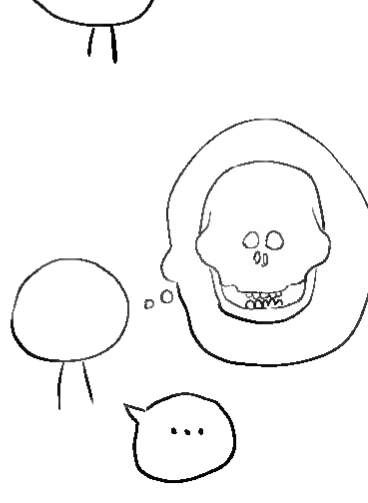
So a lot of readers
didn't know who was who.

I focused on it too much
and created a strange thing...;

The chin which grows bigger on the platoon leader.



Duk Geun Chun's eyes, nose and mouth are coming unusually close to each other.



Even if it's a little late, I still want to show you the list of characters.
If you are still confused about the characters in Season Two, please read the afterword once again. Haha...
TOO
LATE

This is a manhwa that recommends you to read the afterword.

First:

CORPORAL CHAN SOO GIM

Yes, he doesn't have much importance, but he is the main character of this manhwa.

He is an army clerk in the headquarters, but he follows the platoon to film them on this mission.

So, there are 11 people on the mission when it should have been 10 people.

Second:
LIEUTENANT HAE JIN GANG

This is his first time being a platoon leader. He doesn't have much experience, and his ambition always seems to drive his troops into danger.

Many people hated his character, and at the end of season 1, he went to Heaven.

FIRST CLASS SERGEANT HYUN GYU RYU

He has the most experience and he always gives advice to Second Lieutenant Gang.

But Second Lieutenant Gang was always too stubborn to take it.

He went to Heaven with Second Lieutenant Gang.

I saw many replies telling me to kill the platoon sergeant with him...
I'm sorry. They died in the script, so I couldn't do anything...

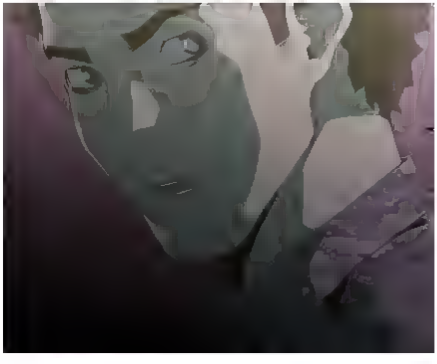
SERGEANT PIL SOO JO

To be blunt,
he is ill-tempered.
He really hates being on the mission especially since he is the platoon's oldest member.

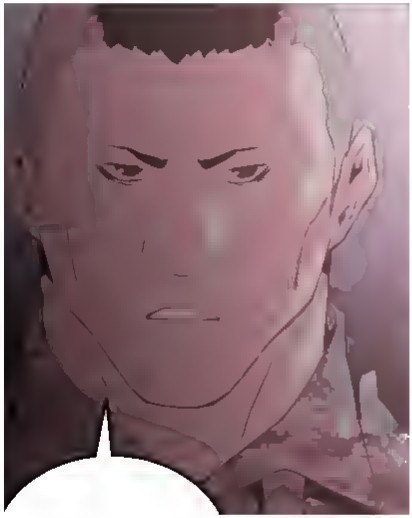
He finally
went to Heaven too.



SERGEANT YOON GEUN BAK

He has a generous personality and looks after the younger members well.

He is the oldest member left in the team, so the rest of them are under his command.

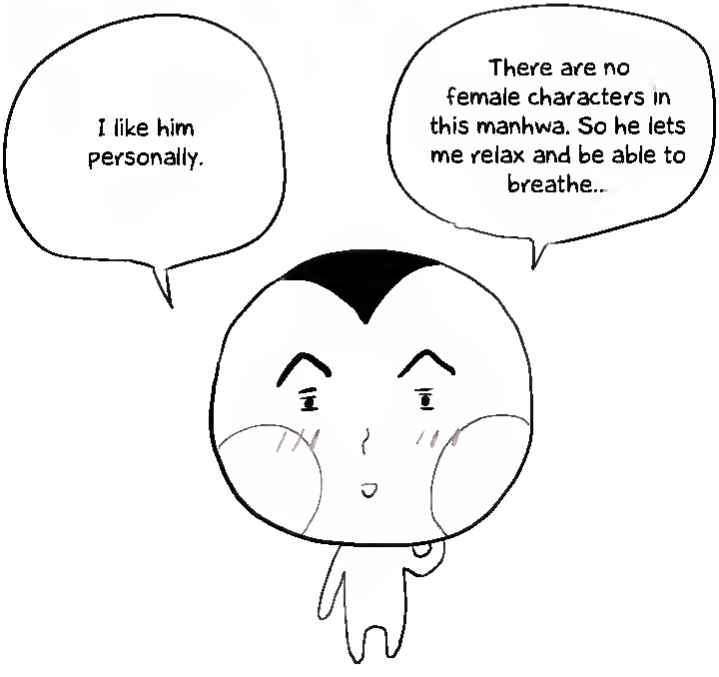


CORPORAL
DUK GEUN CHUN

He will soon be promoted to sergeant. He's... not the kind of guy you'd like to have as your superior in the army.

CORPORAL NAM GOO GIM

He is the son of a famous shaman and rumour has it that he can see ghosts.



CORPORAL
HYUNG JOO CHOI

He joined the army
at the same time as Chan Soo,
the main character.

He is proud of being a member of
a search unit and he likes sports.

I don't think I showed much of that
side of him in the webtoon T_T

PRIVATE GANG CHUN

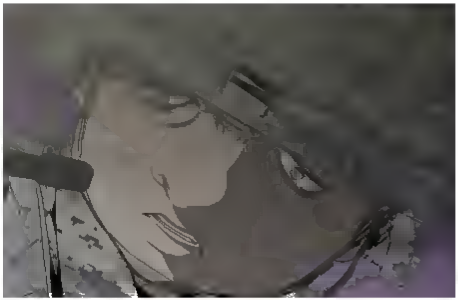
"WHAT? WHO IS HE?"

I think there will be a lot of readers who are going to say that...

He likes sports and is friendly with Hyung Joo Choi.

It wasn't likely that he was going to end up in the webtoon. His only job was to search for land-mines.

I feel like I should use him more. I am most regretful.



PRIVATE WOO SHIK GIM

He blew the whistle on Duk GeunChoi, so naturally they have a bad relationship.

He isn't supposed to be a shady character, I just tried to draw him as a depressive.

PRIVATE SANG GEUN IM

He was shaking most of the time and was one of the first to die.

Like Corporal Nam Goo Gim he let me breathe in this hell full of masculine men.

I miss him.
He died too quickly...
T_T

This was supposed to be an afterword but I only talked about the characters.
I am going to talk more about the story after it finishes.
embarrassed...

Finally, thank you to
Director Chang Woo Gim
who provided me with a script an
the CJ E&M people and everybody
at Daum Webtoons.

Thanks again
to all of MIA's readers!
